TREE MAP & PROPERTY LEGEND

NOTE: all trees are on a multiple-zoned drip system with updated control panel

- West side (along Lenticular) outside the fence
  - 4 tall Austrian Pines providing afternoon shade
  - Inside west fence clockwise from gate: Goldmine Nectarine, Blenheim Apricot, Stella Cherry, Bartlett Pear
  - Sycamore in Northwest corner with major pruning 3 years ago
  - Wisteria climbing on Pergola provides shade and bird nesting – a perfect spot for outside breakfast/coffee
- North side
  - 3 tall columnar pear 'non-fruiting' = hammock hangs between first two: ultimate shady nap spot
  - Apple in Northeast corner – has 4 varieties of apple: Honeycrisp tree with Gala, Fuji and Golden Delicious grafted on
- East side
  - Fay Elberta Peach – delicious, canned peaches for year-round treat
  - Bing Cherry is very productive (50 lbs. in 2025)

Note: the double wide swing gate can accommodate a boat/RV/trailer if the Bing Cherry is removed

- Front yard
  - 3 Mugo Pine bushes and 2 Pyramid Pine Trees remain green year-round
  - Original ornamental Cherry Tree closest to front walkway
  - Hydrangea bush starts white and blushes to pink near front bedroom
  - "Bruce" is a tall Blue Spruce that makes the perfect living 'Christmas' tree wrapped with lights
  - Iris and Daffodils – healthy and ever propagating
- Back yard
  - 4 cement block garden boxes - individual water spigots connected to auto timer

- Shade retreat provides perfect shaded seating and has a roll-down shade for sunny afternoons
- Grilling/smoker deck has wind break to keep meal prep going
- Firepit seating also has a wraparound break
- Large cement patio is 60 x 14!
